Considerations.....

- Max 30 participants
- Startups offer 1-1 mentorship (min 2 /max 4) with a weekly 15min call per mentee.
- Startups set a task they want feedback on: Market research, product testing, A/B testing content, surveys etc....
- Bootcampers should complete Startup tasks within one week.
- Startups in second last session give feedback on tasks and mentees
- Bootcampers in last session make pitches and mentor gives personalised feedback
- Certification upon completion.
- NFTs - with a POAP for starting, an NFT for completing tasks, and a final personal achievement award as a SmartNFT.

Course details: Monday Morning All Hands 7.30am-9am
